The President's Column!

As the newly elected President I would like to welcome you to season 2001/02.

The club has some huge challenges to meet this season. We need to develop a more accountable approach to all of our activities.

It all begins at committee level. This year you will see committee members with dedicated areas of responsibility and management. I will let you know about this aspect later on in the year.

The committee will institute a number of changes and develop both short and long term goals for the club. There are three critical areas that I feel the club should address; appointment of a coach and training supervisor, upgrading the training facilities, and instituting a program to develop the clubrooms.

The club has already placed advertisements for a coach and has made contact with a number of prospective applicants. We intend to fill this appointment by the end of June.

In regard to practice facilities, renovation of the present area is essential for the future of the club. We have received a grant from the ACB, and whilst it was somewhat short of the requested amount, it provides a start in this area. Secretary and Turf Manager Neil Kennedy estimates that we will need about \$20,000 for the project. The committee will do everything in its power to get this project up and running and completed this year. With funding from the University very questionable we need to develop new sponsors and establish ties with our current sponsors. This area will be managed by Justin Brown our Sponsorship manager, get in touch with him if you have any prospects in mind.

The development of the clubrooms is a long term project and will be planned later on in the season. I'll inform you of developments in this area later.

Finally I want to thank members of the outgoing Committee, Keith Boyd, Justin Kristiansen, Carl Jones and Justin Holland. Their application and performance in what was a couple of very difficult years was great. The club expresses its appreciation to them.

Regards

Rob Sutherland

"In the end, it's extra effort that separates a winner from second place. But winning takes a lot more than that, too. It starts with complete command of the fundamentals. Then it takes desire, determination, discipline, and self-sacrifice. And finally, it takes a great deal of love, fairness and respect for your fellow man. Put all these together, and even if you don't win, how can you lose?"

- Jesse Owens

UCC appoints Brad Broughton as Coach for Season 2001/02

One of the key issues that the committee set to address in the coming season was the appointment of a coaching and training panel. In the past we have appointed coaches who have been largely involved in the day to day running of training and the conduct of the 1st XI.

We felt that it was important this season to provide supervised training and skills development for players of every grade. As a result Mick Thornton was appointed as the training and coaching manager at the June AGM. His role will to co-ordinate training, to organise specialists in bowling batting and fielding, to book training venues and to organise the conduct of training. He will conduct these duties in consultation with the coach.

Through April to June the club advertised for a coach in the local newspapers and approached a number of potential candidates on a person basis. At the end of this period and after consideration of the potential candidates, Brad Broughton was appointed as UCC Coach. Brad has had playing and coaching experience at the highest level in Junior and Senior cricket. As a player his ability, dedication and professional approach was obvious last season.

The committee congratulates Brad on his appointment and wishes him every success in the coming season.

THE SUTHERLAND SHIELD

This award has been struck in honour of one of the club's founding members **Robert Sutherland**. Robert "Sudsy" Sutherland has been an inspiration to the club in his capacities of one-time President, one-time Secretary, one-time Coach, and full-time character. He has proven to be worth every dollar paid to Jan Juc Cricket Club in transfer fees.

The award recognises the good & bad performances of current University Cricket Club Members on the basis of votes provided by the members over the course of the season.

VOTES

1 R. SUTHERLAND Congrats Rob on the Presidency...Full Circle!

We look forward to a plethora of votes from the first annual cricket trip that took place in April.
